To give glamour, use Cast Glamour from Actions & Traits or right-click the item's sub-comment to open it and select Cast Glamour. Alternatively, you can wear a glamour dresser in the living room. To give glamour, use Cast Glamour from Actions & Traits or press X ( button) on your PlayStation to highlight the item to open its sub-comments, then select Cast Glamour. Alternatively, you can wear a glamour dresser in the living room. This function is on the General tab. If you want to use this feature more easily, it can also be set as a hotbar. Select the basic item, and then select the glamour that you want to throw from the list of available items. \* The list of available items will not appear until you have selected a base item. Select unceded items: Use the drop-down menu to use the desired item type. Glamour prism is needed every time you throw glamour. \* The use of glamour binds the item to you. The glamour is now cast. \* The cross icon indicates that glamour has been cast. \* If you use a dyed object to throw glamour, the cross icon will appear in that color. You can also start the process by selecting Cast Glamour from the subject's sub-comment. You can also start the process by selecting Cast Glamour from the subject's sub-comment. The glamour remover removes glamour from one item. Glamour disellers are available from the market board or sellers. Create glamour with the Emperor's new artifacts to make the object invisible. Separate the new items exist for every type of clothing, accessories and even the arms of a pugilist. These invisible objects can be Goberin in West Thanalan (X:12.1 Y:15.0) or Tataroga in Mor Dhona (X:22.1 Y:6.7) after completing sidequest Absolutely Glamourous. \* The items purchased vary depending on the player's terms and conditions. Carrying many clothes leaves you without much space in your arsenal or warehouse. A cupboard and glamour dresser can ease this problem. Certain items, such as seasonal event costumes, can be placed in a cupboard for the number of items stored without a ceiling. For items that cannot be stored in the closet, there is a glamour dresser. Dyed objects can be placed in glamour dressers. However, glamour prisms are required to place items in the glamour dresser, and there are limits to the amount it holds. There are also some limitations in the closet. Although a glamour prism is required to store objects, in some cases dyes are removed from certain parts of the product or removed altogether. For more information about this feature, see Glamour Prisms. Item armor, seasonal event dresses, achievement awards, bonus gloves and other special items can be stored in the cabinet. Storage of colours, ridges and glamour can be removed. In addition, the spirit drink is reset to 0% and durability is set at 100%. If you want to keep your colours when storing goods or want to use dyed items to throw glamour, a glamour dresser is a more appropriate choice. The glamour dresser converts the items into glamour, which can then be applied to the equipment. For every item placed in glamour magazines, you need one glamour prism. These items can then be combined with other items and stored on glamour boards, allowing entire outfits to be simultaneously applied to glamour. For more information, see the next section. Glamour boards allow you to save gear combinations in your glamour dresser and closet for ensembles. All glamour stored on the disc can be applied simultaneously to existing devices. Glamour discs can be edited as many times as you want and allow you to try on all kinds of outfits. Glamour chest of drawers can be found in inn rooms such as Limsa Lominsa, Gridania and Ul'dah. \* You've had to open cast glamour to get into the glamour dresser. Glamour dressers are a convenient way to store gear and let you spread the whole outfit at once using glamour boards. Glamour prisms are required to store items in the dresser. The first step is to store the item in the glamour dresser. Wear a glamour dresser with the item you want And the glamour prism in your possession, get your hands on the glamour dresser. Glamour prisms can be obtained using various methods, including the Grand Company Seal Exchange. Select the item you want to save Select a category from the drop-down menu, and then select the item you want to place in the glamour dresser. \* Items cannot be placed in a glamour cap if they have a durability of less than 100%. \* You are bound by objects converted to Glamour. Use the glamour prism to convert an item When you're ready to convert an item, click Yes. \* One glamour prism is consumed per item. Converting an item to glamour eliminates matter and most attributed bonuses, spiritbond is reset to 0%. The color will not be removed. Ready! The item has been transformed into glamour and stored in a dresser. \* The modified item cannot be equipped as an object until it has been removed from the glamour dresser. For more information, see Change the entire asant at once. After converting items to glamour, your favorite ensemble can be saved as glamour boards. You can use the entire glamour disc items at the same time. Save your outfit for a glamour plate and spread the whole thing at once! Wear a glamour dresser with interact glamour dresser and choose Edit Glamour Plates. Select the items you want to include Select a category (head, body, etc.) and then glamour stored in the dresser or cabinet. \* Selecting an item displays it in the character viewer on the glamour disc. \* When you select items, you can switch between the glamour dresser and the cabinet by clicking the button below the item dialog box. Delete an item To remove an item from a glamour disc, right-click the icon, and then click Remove Item Image from Disk. Delete an item To remove an item from a glamour disc, press the X button (the button) on the PlayStation icon, and then click Remove Item Image from Disc. Click Save to keep your changes When prompted, click Yes to save your changes. Choose Apply to throw the glamour You can use the glamour stored on the glamour disc for your currently stocked gear straight from the glamour dresser. \* Glamour is only applied to parts of the body with accessories. \* Glamour prism is not needed when glamour is applied from the glamour plate. If you don't have a specific category of devices: A small X appears in the lower-left corner of the glamour disc icon. Ready! The glamour disc you created now applies to your character's current gear. Glamour boards can be used not only in inn rooms, but also in any major city and residential area. Once it's available, you can view and select glamour by pressing the Glamour Plate above the sign window. \* Glamour boards cannot be used, for example, in areas or outside large settlements. Glamour boards can be used not only in inn rooms, but also in any major city and residential area. Once it's available, you can press Glamour button above the character window to view and select glamour. \* Glamour boards cannot be used, for example, in areas or outside large settlements.
